2007 Print of the Year!

December 2006

"Estrus"
by Patrick Gibbs

"Estrus", Patrick Gibbs' latest release is **The 2007 Print of the Year** for TIP.

(Turn in Poachers, a private non profit that works with the Minnesota D.N.R. Enforcement Division.)

The Original is an oil on canvas painting and it has sold. The piece depicts a Whitetail Buck "in the rut" following a scent. This has all the trade mark style of a Patrick Gibbs' Painting. The depth, fine detail and perspective are brilliant.

The composition and colors are amazing! Pat believes this is his best yet!
